The following statement was entered into the record for Supervisor Burke:

“On August 2nd and 3rd, the American Cancer Society will be holding its inaugural ‘Downtown Relay for Life’, a 24-hour fundraising event in Los Angeles City Hall’s South Lawn. This event is an effort to increase cancer awareness while raising much-needed funds for the American Cancer Society’s patient services programs, cancer research, advocacy and community education. Teams composed of twelve to twenty-four people formed by local businesses, community groups, friends and family members of cancer patients and survivors will be raising funds prior to the event. At the event, team members will take turns walking around the track in relay style and enjoy fun activities and entertainment off the track.

“The organizers are expecting 250 participants and would need usage of Lot 11 on Spring Street from approximately 6:00 a.m. on Saturday, August 2nd through 11:00 a.m., Sunday, August 3rd. Since Lot 11 is located conveniently close to the event venue, it will be appreciated by the cancer survivors participating in this event, some of who are still going through treatment and are quite weak, to park in that lot.”

Therefore, on motion of Supervisor Burke, seconded by Supervisor Molina, unanimously carried, the Board waived parking fees totaling \$1,600, excluding the cost of liability insurance, at County Parking Lot 11, located on Spring Street, from approximately 6:00 a.m. on August 2, through 11:00 a.m., August 3, 2008, for participants of the American Cancer Society’s “Downtown Relay for Life.”
